The four pillars of our service

01 Punctuality

The capillarity of our transport network — national and international — guarantees maximum punctuality in deliveries, whatever the destination.

02 Reliability

The professionalism and expertise of our staff ensure absolute reliability at every stage: from collection to final delivery to the recipient.

03 Security

Total control over every service phase — constant operational and quality monitoring — translates into absolute security for your cargo.

04 Innovation

New technological solutions are always implemented to ensure a service that keeps pace with the times and the demands of a constantly evolving market.

All of Italy.

No compromises.

Express shipments throughout Italy: from envelopes to pallets, with deliveries in 24/48 hours and real-time tracking on every parcel.
